

Ramco Institute of Technology

Rajapalayam

Department of Civil Engineering

(Approved by AICTE & Affiliated to Anna University)

(An ISO 9001:2015 Certified Institution)

Academic Year 2020-2021

1. G.Murali, Sallal R.Abid, K.Karthikeyan, **M.K.Haridharan**, Mugahed Amran, A.Siva, Low-velocity impact response of novel prepacked expanded clay aggregate fibrous concrete produced with carbon nano tube, glass fiber mesh and steel fiber, Construction and Building Materials, Volume 284, 17 May 2021, 122749. DOI: <https://doi.org/10.1016/j.conbuildmat.2021.122749> (Impact Factor 4.419, SCI)
2. **S.Dharmar**, R.Gopalakrishnan, A.Mohan, Environmental Effect of Denitrification of Structural Glass by coating TiO_2 , Materials Today: Proceedings, Available Online: 25 December 2020, DOI: <https://doi.org/10.1016/j.matpr.2020.11.281>
