International and National Conferences

International Conference

1. Periyannayagi S, Manikandan A, Muthu Krishnan M, Gowtham P, "Smart Health Humanoid Against spread of covid-19 Pandemic" International Web Conference on Smart Engineering Technologies, Ramco Institute of Technology, Rajapalayam, June 2020.
2. Amosedinakaran S, Deepa Lakshmi B, Bhuvanesh A, Kannan S, "Generation Expansion Planning under partially deregulated Environment using Firefly Algorithm for sustaining Competitive Electricity Market", International Web Conference on Smart Engineering Technologies, Ramco Institute of Technology, Rajapalayam, June 2020.
3. K.Ragavan, K. SelvaVignesh, S.SriKarthick and T KapilAnirudh, "Road Sign Detection on Low Power Devices using Deep Learning Algorithms" International Web Conference on Smart Engineering Technologies 2020 (IWCSET - 2020), Ramco institute of Technology, Rajapalayam, June 2020, pp.74.
4. K.Ragavan, B.Selvalakshmi, I.Sharmila and M.RamyaBharathy, "Classroom Attendance Management and Emotion Detection using Deep Learning", International Web Conference on Smart Engineering Technologies 2020 (IWCSET - 2020), Ramco institute of Technology, Rajapalayam, June 2020, pp.73.
5. A.AzhaguJaisudhanPazhani, R.ManjuPriya, J.Gayathri and K.Sahithya presented a paper on "Smart Wearable devices for Employee Location Tracking and Attendance Monitoring System using IOT" in the International Conference on Smart Engineering Technologies (IWCSET-2020) organized by RIT on 26 June, 2020
6. B.Kannan, R.Nandhini, J.Nithya, A.Petchiammal, "Intelligent System in Vehicles for Rescue Operation", International Web Conference on Smart Engineering Technologies 2020 (IWCSET-2020), Rajapalayam, ISBN: 978-93-5407-648-0, Page No.: 69. June 2020
7. G.GnanaPriya, ShruthiMurugan, M.Sindhumeenakshi, V.SriVarshini, "Secured Saline Monitoring and Control System", International Web Conference on Smart Engineering Technologies 2020 (IWCSET - 2020), Rajapalayam, June 2020, P.No.69.

8. Chitra R, Aishwarya M, Archana R and Minilakshmi G, “Smart Animal Intrusion Detection and Prevention System”, International Web Conference on Smart Engineering Technologies (IWCSET 2020), Ramco Institute of Technology, Rajapalayam, June 2020, ISBN No:978-93-5407-648-0, pp.71.
9. Mrs.V.SrIREngaNachiyar,R.SivaSankari, E.Subhashini, L. Yamini,“Cloud based Food Waste Management”, International WebConference on Smart Engineering Technologies-2020,Ramco Institute of Technology, Rajapalayam, June 2020, Page No: 72.
10. Mrs.S.Jeeva, R.Kowsalya, C.Maheswari, G.Malathy presented a paper entitled on “Mammogram Image Enhancement using Transforms”International Web Conference on Smart Engineering Technologies 2020 (IWCSET-2020), Ramco Institute of Technology, Rajapalayam on 26 -27 June 2020, Page No :71
11. Mrs.S.Jeeva, G.Banupriya, R.Preethika, B.Shamasrapresented a paper entitled on “Image Processing based Smart control of Traffic Light system for Ambulance”International Web Conference on Smart Engineering Technologies 2020 (IWCSET-2020) Ramco Institute of Technology, Rajapalayam on 26 -27 June 2020, Page No :73
12. D.Gopinath, M.Jeevalinggesh, D.Janarthanan, S.GeethaiKannan, “Implementation of Internal And External Border Gateway Protocol using MPLS L3 VPN”, International Web Conference on Smart Engineering Technologies-2020 (IWCSET-2020), 26.6.2020 & 27.6.2020 at Ramco Institute of Technology, Rajapalayam Page No.67-68.
13. R.DeivaNayagam, V.Harsheni, L.Janani, V.Sivabala, “An Indoor Navigation for Organization using Smartphones”in the International Conference on Smart Engineering Technologies (IWCSET-2020), Ramco Institute of Technology, June 2020, Page: 72.
14. S.Jeeva, S.Annapoorani, M.Santhiya, V.Sivapriya presented a paper titled “Face Mask Detection using Deep Learning and NI LabVIEW” in virtual International Conference on Innovations in Electronics and Communication Systems - ICIECS 2021, R M K College of Engineering and Technology chennai on 06.05.2021 (Best Paper)
15. B.Kannan, V.Jeya Lakshmi, V.Sindhuja, M.Subha shree presented a paper titled “Hybrid Edge Detection for Brain Tumor Detection from MR Image using openCV” in the International Conference on Innovations in Electronic and Communication Systems ICIECS 2021, RMK College of Engineering and Technology, 6th May 2021.

16. S.A.Radhika, A.Adishree Trinetra K.Chitra lekha, G.Jeyavarsha presented a paper titled “Hybrid Edge Detection for Brain Tumor Detection from MR Image using openCV” in the International Conference on Innovations in Electronic and Communication Systems ICIECS 2021, RMK College of Engineering and Technology, 6th May 2021.
17. G.Gnana Priya, G.Nandhini Devi, M.Ponsheela and S.Siba Jasmine, presented a paper titled "Monitoring System for Patients Undergoing Continuous Ambulatory Peritoneal Dialysis Using IoT" in International Conference on Multidisciplinary Innovations In Computing and Communication (Virtual Conference ICMICC'21) organized by Easwari Engineering College,Chennai on 19.04.2021.
18. G.Gnana Priya,K.Anusuya,M.Aysa Shahana and S.Kalaipriya, presented a paper titled " Presaging Access Amass Communication Shred " in International Conference on Multidisciplinary Innovations In Computing and Communication (Virtual Conference ICMICC'21) organized by Easwari Engineering College,Chennai on 19.04.2021.
19. Rameshbabu A and Sainandha Kishore S presented a paper titled "Multi-Purpose Patient Monitoring System Using IoT and LabVIEW" in the International Conference on Innovations in Electronics and Communication Systems - ICIECS 2021 conducted by R.M.K College of Engineering and Technology, Puduvoyal, on 06.05.2021.
20. Chitra R, Priyadharsini R, Sivasakthi R, Vaishnav Arundhati A presented a paper titled “Soil Irrigation Using LoRa Technology” in the International Conference on Innovations in Electronics and Communication Systems ICIECS 2021 conducted by R.M.K College of Engineering and Technology, Puduvoyal, on 06.05.2021.
21. Dr.A.Azhagu Jaisudhan Pazhani, S.Bhuvanakshay and K. Hariram Sundravel presented a paper titled “Approximate Multiplier for Approximate Compressor unit and it's Application in Image Filtering” in the International Conference on “Emerging Trends in Signals Systems and Information (ICETSSI 2021) organized by Nehru College of Engineering and Research Centre on 28 May 2021.
22. Dr.B.Deepa Lakshmi, S.Dharsini and A.Lakshmikantham presented a paper titled “Pulse Diagnosis System” in the International Conference on “Emerging Trends in Signals Systems and Information (ICETSSI 2021) organized by Nehru College of Engineering and Research Centre on 28 May 2021

National Conference

23. K.Ragavan, B.Selvalakshmi, I.Sharmila and M.RamyaBharathy, “Student’s Emotion Detection and Attendance using Deep Learning”12th National Conference on Signal Processing, Communication and VLSI Design(NCSCV’20), Anna University Regional Campus, Coimbatore, June 2020.
24. Mr.A.Rameshbabu, Mr.J.Arunkumar, Mr. MujiburRahuman and Mr.S.Hassan-Ul-Haq, “Palm Vein Authentication”, 12th National Conference On Signal Processing, Communication and VLSI Design (NCSCV 20), Coimbatore.June 2020.
25. Venkatesh P, NiharBanu M, Ponsubha M, Prarthana G (2020),”Smart Safety Monitoring system for sewage workers”, in the Virtual Conference on Green mechatronics system (Greems 2k20) at Hindusthan College of Engineering and Technologies, Coimbatore, July 2020.
26. G.GnanaPriya, ShruthiMurugan, M.Sindhumeenakshi, V.SriVarshini, “Secured Saline Monitoring and Control System”,in the Virtual Conference on Green mechatronics system (Greems 2k20) at Hindusthan College of Engineering and Technologies, Coimbatore, July 2020.
27. R.Ramalakshmi, S.Pradeepa, V.Priya and K.Sangavi, presented a paper titled “Drowsiness Detection of Driver” in Virtual Conference on Smart Computing and Advanced Communication organized by PSNA College of Engineering and Technology, Dindigul on 31 Mar., 2021.
28. P.Venkatesh, R.Leon mobit bringa, J.Jeevitha, B. Lakshmi Praba presented a paper titled “Design of compact multiband patch antenna for WiMAX and WLAN Applications” in Virtual Conference on Smart Computing and Advanced Communication organized by PSNA College of Engineering and Technology, Dindigul on 31 Mar., 2021
29. S.Vijayakumar, P.Kothawari, K.Sugirtha Shalini, R.Amaravathi presented a paper titled “Design and Implementation Square Multiplier using Vedic Maths in FPGA kit” in Virtual Conference on Smart Computing and Advanced Communication organized by PSNA College of Engineering and Technology, Dindigul on 31 Mar., 2021
30. S.Jeeva, R.Anushya, R.Dhanushya, T.Dhivyamuthachi presented a paper titled “2D Plotter Simulation and Prototype using NILabVIEW and NI myRIO” in Virtual Conference on Smart Computing and Advanced Communication organized by PSNA College of Engineering and Technology, Dindigul on 31 Mar., 2021

31. G.Sivakumar, M.Aniruth Shriram, S.Kesavan, V.Kishore Prasath presented a paper titled “Medication Premixed Nebulizer Liquid Container using IoT”, in Virtual Conference on Smart Computing & Advanced Communication at PSNA College of Engineering & Technology, Dindugul on 31 Mar., 2021
32. R.Chitra, M.Dharini, S.Isha Suga Nandhini presented a paper titled “Voice controlled Robot using NILabVIEW and NI myRIO” Virtual Conference on Smart Computing and Advanced Communication organized by PSNA College of Engineering and Technology on 31 Mar., 2021
33. S.Harini Shriram, A.Pooja, M.Vaishnavi presented a paper titled “Smart Parking System based on LoraWAN Technology” in Virtual Conference on Smart Computing and Advanced Communication organized by PSNA College of Engineering and Technology on 31 Mar., 2021
34. M.Sangeetha, B.Aishwarya, M.Shunmugapriya, R.Varshini presented a paper titled “Vehicle to Vehicle Communication for Cooperative driving”, National Conference on Communication and System Design (NC2SD-2021), PSG College of Technology, April 2021
35. L.K.Balaji Vignesh, R.Praveen, R.Pradeep, M.Sankar, P.Praveen presented a paper titled “Smart Automation in Health-Care Monitoring and Surveillance for Post-Pandemic Life using Internet of Things” in National Conference on Communication and System Design (NC2SD 2021) organized by PSG Institute of Technology and Applied Research, Coimbatore on 03 Apr., 2021.
36. R.Deiva Nayagam, S.Suganya, C.Varsha presented a paper titled “COVID-19 Detection from Chest CT Scan Images using Deep Learning Techniques” in National Conference on Communication and System Design (NC2SD 2021) organized by PSG Institute of Technology and Applied Research, Coimbatore on 03 Apr., 2021.
37. K.Ragavan, S.Lakshmi Priya, M.Priyanka, S.Swetha presented a paper titled “Named Entity Recognition and Classification using BioBert Model” in the National e-Conference on “Recent Trends in Electronics, VLSI, Embedded System, Communication and Networking”, Dr.Sivanthi Adhitanar College of Engineering and Technology, 8th April 2021
38. S.Vijayakumar, A.Manju, S.Priyadharshini, P.Ramya presented a paper titled “Analysis of Memristor based Pass Transistor Logic” in the National e-Conference on “Recent Trends in Electronics, VLSI, Embedded System, Communication and

Networking”, Dr.Sivanthi Adhitanar College of Engineering and Technology, 8th April 2021

39. B.DeepaLakshmi, C.Abinaya, R.Abirami, M.Dhana Lakshmi presented a paper titled “LHS based Alarm Point Locator in Coal Belt Conveyor” in the National e-Conference on “Recent Trends in Electronics, VLSI, Embedded System, Communication and Networking”, Jawahar Engineering college , 2nd May 2021.
40. S.Vairaprakash, G.Ponsukivarman, T.Tamilselvan, G.M.Vairamuthu, P.Vijay Pramoth presented a paper titled “IoT Based Car Parking System” in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT 2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23.04.2021.
41. G.Gnana Priya,K.Anusuya,M.Aysha Shahana and S.Kalaipriya, presented a paper titled "Presaging Access Amass Communication Shred" in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT 2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23.04.2021.
42. G.Gnana Priya, G.Nandhini Devi,M.Ponsheela and S.Siba Jasmine, presented a paper titled "Monitoring System for Patients Undergoing Continuous Ambulatory Peritoneal Dialysis Using IoT" in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT 2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23.04.2021.
43. R.Ramalakshmi, Libiya Joseph and S.Mahalakshmi presented a paper titled "Dynamic Spectrum Sharing Using Cognitive Radio Networks in 5G Technology" in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT 2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23 Apr., 2021.
44. R.Deiva Nayagam, A.Anitha Rahini, A.Farzana Fathima, K.Lakshmi Gomathi presented a paper titled “An Enhanced Retinal vessel segmentation using Deep Convolution Neural Network” in the DST Sponsored National Virtual Conference on Advanced Informatics, Electronics and Vision (NCAIEV ‘21) organized by Mahalingam College of Engineering and Technology on 23 Apr., 2021.
45. Rameshbabu A, Sankara Narayanan S, Vasanthakumar V and Sumanth S V presented a paper titled “Vehicle Speed Management System”, in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT

2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23 Apr., 2021.

46. Gunasekaran P, Harithra S and Karthikashree S presented a paper titled "Smart Antitheft System for Automotive Security with Face Recognition and SMS Ignition Control" in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT 2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23.04.2021.
47. S.Periyanayagi, A.Manikandan, M.Muthukrishnan, M.Ramakrishnan, presented a paper titled "BDoor App- Blood Donation Application using Android Studio" in the DST Sponsored National Virtual Conference on Advanced Informatics, Electronics and Vision (NCAIEV '21) organized by Mahalingam College of Engineering and Technology on 23 Apr., 2021.
48. V.SrirengaNachiyar, G.Nishanthi, V.Sakthi Ramya presented a paper titled "Analysing the PQRST Parameters from ECG Signal to Identify the types of Heart Disease " in National Virtual Conference on Signal Processing and Communication Technologies 2021 (CSPCT 2021) organized by Kamaraj College of Engineering and Technology, Virudhunagar on 23.04.2021.
49. Dr.A.Azhagu Jaisudhan Pazhani, K.Mounica, S.SelvaDharshini presented a paper titled "Design of LoRAWAN based Smart Energy Meter" in the National e-Conference on "Recent Trends in Electronics, VLSI, Embedded System, Communication and Networking", Dr.Sivanthi Adhitanar College of Engineering and Technology, 8th April 2021 (Best Paper)
50. D.Gopinath, S.Arunkumar, K.Alex Pandian, V.Gowtham presented a paper titled "Smart Syringe Infusion Pump" in the National e-Conference "Recent Trends in Electronics, VLSI, Embedded Systems, Communication and Networking" held on 08.04.2021 at Dr.Sivanthi Aditanar College of Engineering, April 2021
51. R.Divya.R, M.Lahvanya, R.Jenani Rajkumari presented a paper titled "IoT Enabled Power Profile Monitoring System", National Conference on Communication and System Design (NC2SD-2021), PSG College of Technology, Coimbatore, April 2021
52. R.Divya, V.Yogeshwari, V.Veeralakshmi presented a paper titled "Performance Analysis of Photonic Network on chip", National Conference on Communication and System Design (NC2SD-2021), PSG College of Technology, April 2021

53. Dr.S.Periyanayagi, J.Shaina Davita, S.Sri Deepika and V.Sri Gowsalya presented a paper titled "Vehicle diagnostics and monitoring using OBD module" in the National level Technical Symposium on Industrial IoT and Automation conducted by SRM Institute of Science and Technology, Chennai on 13 May, 2021.

54. K.Ragavan, R.ArunPrasanth, S.Jegadheesh kumar and D.Joseph chandrashekar presented a paper titled "Live Monitoring of Car Health Status using On-Board Diagnostics" in the National level Technical Symposium on Industrial IoT and Automation conducted by SRM Institute of Science and Technology, Chennai on 13 May, 2021.

55. D.Gopinath and S.Jaiharish presented a paper titled "Analyze of Facial Expression and Hand Gestures using Deep Learning" in the National level online conference on Data Science and Intelligent Information Technology conducted by National Engineering College, Kovilpatti on 14 May, 2021.
