

RAMCO INSTITUTE OF TECHNOLOGY
Department of Mechanical Engineering
Academic Year 2015 – 2016
(Approved by AICTE & Affiliated to Anna University)

Consolidated Details of Journal Publications

1. Maniram Kumar, **S. Rajakarunakaran** and V. Arumuga Prabhu, “Quantification of Human error Probability by Cognitive Approach in LPG Dispenser” International Journal of Applied Engineering Research, 10, 11, 27635-27650, (2015).
2. Maniram Kumar, **S. Rajakarunakaran** and V. Arumuga Prabhu, “Analysis of Failure Modes in the Filling Process of LPG Storage Tanks” International Journal of Applied Engineering Research, 10, 45, 31839-31845, (2015).
3. P.Pitchipoo, DS.Vincent, **S.Rajakarunakaran** (2016), Development of Fuzzy Based Intelligent Decision Model to Optimize the Blind Spots in Heavy Transport Vehicles, Promet – Traffic & Transportation, Vol. 28, No. 1, 1-16. (Impact Factor: 0.768. Scopus indexed)
4. A.Maniram Kumar, **S.Rajakarunakaran** and V.Arumuga Prabhu (2015), “ Human Reliability Analysis by Cognitive approach for unloading process in an ALDS (Auto LPG Dispensing Station)”, *Indian Journal of Science and Technology*, vol.8, no. 26, pp. 1-11.
